

Before COVID, a friend and I were talking. Through the conversation I found out that my friend loved to fly and had several friends who owned aircraft. My father, too, owned a plane that we used for all of our family vacations. We had a wonderful conversation about planes and flying. My friend had friends who owned helicopters which have always fascinated me. More than 20 years ago I had been in one. Ever since that day, I have always wanted to go for another helicopter ride. Our conversation was brief, but it rekindled the desire to go flying in a small aircraft. There is nothing like it! The closeness to the ground and the real feeling of flying isn't something you get in a larger jet airliner. A week or so after our conversation, my friend called and asked if I would like to go for a ride in a helicopter. I thought I was dreaming and nearly pinched myself to make sure I was awake. That was months ago, and now that things have calmed down, the opportunity presented itself. So, Cherrie and I were on our way to the airport! The day was perfect for flying. There was light wind and the bright sky was dotted with a few puffy clouds. I felt like it was Christmas morning. I couldn't wait for the helicopter to leave the ground.

As soon as I climbed into the passenger seat, it felt like I had gone back in time to when I used to fly with my father. A smile came across my face as I buckled in, knowing soon I would be flying. There is a sensation you get when an aircraft takes flight that is indescribable, but you know you have left the ground. When I felt it, I had to suppress the want to shout, "Wahoo!"

At first, I only noticed the sound of the engine powering the blades that were keeping us aloft. That was soon replaced by the awe of being able to soar in the sky and look at the world as it passed beneath my feet. As we cruised along at about five hundred feet I was mesmerized by how far you can see. When you are above the trees and buildings it seems like you can see forever. Everything looks different from a few hundred feet above the ground. Your whole perspective changes when you are looking down at something.

As we flew over St. Peter, I thought, wow! It is a big place and how wonderful it looked from above. When we passed over the church, I thought this must be how God sees us. Then I thought, wait a minute, that is not right. God's view is different from what we think. We think God is on His throne in Heaven and He is looking down at us, but that is not even close to what reality is.

John 19:20-21 "On that day you will realize that I am in my Father, and you are in me, and I am in you. Whoever has my commands and keeps them is the one who loves me. The one who loves me will be loved by my Father, and I too will love them and show myself to them."

God is in you! God is not looking down at you, He is going through life with you. God knows where you are, what you are doing, thinking and feeling. There is nothing you will go through on your own. God's perspective is not just from Heaven, it is also from inside you. Now, that changes my perspective, and I hope it does yours as well. God loves you enough to make sure you never go through life alone. God is not only with you, He is in you. (Thank you, my friend, for the helicopter ride.)

**God bless you,

Robert's Music Spotlight

This month I wanted to spotlight the song "Build My Life." It was written by multiple authors and has many versions. I appreciate the sense of reverence for God that it captures. The chorus is a beautiful reminder of how holy our God is, and that we should be led by Him. The Bible says that the angels in the throne room of God are constantly declaring holy, holy, holy. They can't help but respond in this way because God is consistently revealing something new in His Glory. (Isaiah 6:3) If the angels, in his throne room, see new aspects of God and His Glory that are just being revealed to them, can you even begin to fathom how big our God is!

St. Peter will be collecting **NEW backpacks and NEW socks** for children ages 4-18 on behalf of Macomb Charitable Foundation beginning Sunday, August 1 through Monday, August 16.

One of the many ways that MCF serves the nearly 1600 homeless children of Macomb County is supplying new school bags for the children at their annual Shop with the Sherri event. Each child will receive a new book bag, as well as school supplies, and other necessities. Please consider blessing one of these children with a new backpack and/or new socks. A collection container will be placed in the hallway of the crossroads beginning Sunday, August 1. Thank you so much. God's Blessings! Questions, contact Jackie at (586) 786-1977.

St. Peter Quilters will begin meeting on September 8 at 9:00 a.m. in the Fellowship Hall. If you are interested in sewing/quilting and would like to help, please call Mary Ann Demetrakeas at (586) 854-0548. You can assemble quilt squares at home, or put quilts together at St. Peter as a team – all help is needed.

Always needed are large pieces of cotton fabrics (any solid colors or prints), and sheets (full size best) and light weight blankets or flannel sheets (for backings). Materials can be dropped off by calling the church office (586) 781-3434.

Continue saving used eyeglasses for MOST MINISTRIES and cancelled postage stamps for LWML and STAMPS FOR THE WOUNDED. Thank you to those who have been faithfully donating them in the past. These items can be deposited in one of the drawers in the coat room which are marked accordingly. Blessings, Joyce Schwark, St. Peter LWML Rep. Questions: Call (586) 524-9328.

WOMEN'S MINISTRY has not been able to serve funeral luncheons to our church family for the past year due to COVID. However, we would like to resume this ministry in the near future. Our luncheons may not look the same as they once did, but be assured, they will be prepared and served with all the love and support for the members of St. Peter just as we have in the past. We are putting together a team to organize these luncheons. If you feel that you would like to serve in this way, please contact Vickie Wangelin (586) 749-3325. You do not need to be a member of our Women's Ministry – new faces are always welcome. We would also like to take this opportunity to thank two of our outgoing Funeral Co-chairs: Pat Ball and Corrine Schraffenberger. These two ladies have given so much of their time and talents over the past several years and we sincerely thank them for their service. Your presence in the kitchen will be missed!

Donations are now being taken for **SCHOOL KITS** for Lutheran World Relief. Following items needed are:

- 70-80 sheet notebooks
- Wide or college-ruled (no loose-leaf paper)
- #2 unsharpened pencils
- Blue or black ballpoint pens (no gel ink)
- Erasers
- 12-inch rulers
- Pencil sharpeners
- Blunt scissors
- Boxes of 16 or 24 crayons
- Drawstring backpack-style cloth bags—approximately 14"x17" with shoulder straps (no standard backpacks)

Please deposit items into the bin in the church coat room, if you have any questions, please contact Joyce Schwark (586) 524-9328. Thank you!

We continue to collect magazines for the Advantage Living Center in Armada. The collection box is in the coat room. Our elderly friends there sincerely appreciate the magazines.

Thank You...

We want to thank the Lutheran Church - Missouri Synod for awarding us \$1,150.00 from the Esther 4:14 Grant. We applied for this grant to purchase two new cameras in order to improve the quality of our stream. We do our best to provide a quality worship experience for those who worship at home due to the pandemic. These cameras provide a much more consistent feed in quality since we are able to use proprietary wireless transmitters with them. Thank you again to the Lutheran Church - Missouri Synod for blessing us with these funds.

THANK YOU to the many ladies who serve on the Altar Guild and Sunday Communion Crew! You are appreciated and you're "behind the scenes" service to our church is a very important part of our worship here at St. Peter. May our Lord Jesus continue to bless you and keep you in His care.
*Sincerely, Nanette Mapes and Vickie Wangelin,
Altar co-chairs*

Dear Members of St. Peter Lutheran Church and School Family,

We are sending our deepest thanks and awesome praise report to everyone that helped with our "off campus" MCREST ministry in June. It was a total success! Due to COVID-19, you were ready and willing to help us run our yearly ministry in a totally different way.

We wish to thank: Hope for the Hungry Food Pantry for food that was donated; Everyone who donated money and gift cards to help us purchase items needed; Everyone who donated food items and supplies; Everyone who donated time to shop, prepare, package, and deliver meals; Thrivent for Action Team funds; All the prayers and support, especially from both of our Pastors.

Whatever you did for our program was exactly what was needed at the exact time that we needed it. As we move forward during these uncertain times, may we all continue to trust God for our future and remember that He is in control. He does have a plan for all of us, and He is certain about our future!

To you, our dear brothers and sisters in Christ, Thank-You! May God bless all of us with His spirit of peace and thankfulness, as we move forward and continue to seek ways to help those around us who are less fortunate than we are.

In His service, *St. Peter MCREST Leadership Team*

Sunday School

We are so excited to start up Sunday School this Fall. "Rally Day" will be Sunday, Sept. 12. It will run from 9:00 a.m. to 11:00 a.m. in the Crossroads. This is a time for the students and parents to meet and get acquainted. The following Sunday, Sept. 19 all Teachers, helpers and students will meet in their respective classrooms. Parents are encouraged to pre-register their children online at StPeterMacomb.com.

As in the past years, we will be using Concordia Publishing House (CPH) curriculum.

We are pleased to continue our "Special Needs Ministry" for children 3 yrs. and above. This is a class set up to teach and assist children that need more one on one care/attention in order to understand the love of Jesus and His Word.

We want to thank Miss Elizabeth Bellhorn and Mrs. Suzy Harrington for their many years of teaching our 3-year and 4-year-old student classes. May God bless them for their loving and devoted service. Also, we wish to thank Mrs. Liz Roe and Mrs. Liz Zurawski for teaching our 4th grade and 1st grade. May God Bless them for their service. We will miss all these teachers very much.

As you can see, I have quite a job set before me to seek several teachers to replace the former teachers.

If you would be willing to teach or help in our Sunday School, please call me at (586) 786-0499 or e-mail me pg.losey@yahoo.com. The blessings received by working in this ministry are infinite.

May our loving Lord Jesus make it all possible to continue this most valuable ministry to the children at St. Peter.

July Focus: Faith vs Culture

In the past several years, big tech, the media, and political parties have attempted to silence the Christian voice in the public square. For example, Facebook, Twitter, TV news broadcasts, etc. have worked diligently to remove all mention of anything connected to God's Word and the truth of those words. Giants' are roaming the land...just as they did when Joshua led God's people into the 'promised land'.

Recently, American Family Association has asked citizens to support Fight for Schools, a group of parents pushing to recall six of nine Loudoun County Public School [LCPS] board members. For the second time in as many months, the Loudoun County Public School board has come under fire. This time, teachers and parents are speaking out against the [district's policy](#) of requiring staff to recognize and sanction transgenderism by using pronouns that don't fit the biological make-up of students.

Leesburg Elementary teacher Byron "Tanner" Cross addressed the regular LCPS monthly school board meeting about the district's pro-transgender policy. He told the board, "I serve God first and I will not affirm that a biological boy can be a girl and vice versa because it's against my religion. It's lying to a child, it's abuse to a child, and it's sinning against our God."

Two days after telling the school board he would refuse to "lie to [students] regardless of the consequences," the school announced Cross had been put on immediate leave from his duties as a physical education teacher, [according to Foxnews.com](#).

Alliance Defending Freedom Senior Counsel Ryan Bangert said the district's retaliation against the teacher for exercising his rights doesn't only violate the First Amendment's protection of free speech, but also its protection of Americans' right to freely exercise their religious beliefs. "That is a clear and unqualified violation of the First Amendment...All citizens have the right in the First Amendment to speak their mind about proposed government policy. We have the right to redress grievances with our government. We have the right to speak freely on issues of public concern. And that's all Cross was doing."

JUNE 7, 2021 By [Paulina Enck https://thefederalist.com/2021/06/07/loudoun-county-teacher-suspended-for-speaking-at-school-board-meeting-sues/](#) and AFA Action Alert <info@Inform.afa.net>

God's Word to His people as they prepared to enter the 'promised land' was *"Be strong and courageous..."* That is what Christians in today's culture are commanded to do...to stand firm against the lies and deception promoted by worldly leaders. Are we prepared to do that? Are we willing to strongly, vocally oppose beliefs that ignore, belittle, or deny the truth of God's Word? We are called to be different than the world...to let the light of Jesus shine through us into the darkness of our sinful world.

Pray:

- that Christians boldly stand for and proclaim God's truth in the darkness of our culture...that our words and actions reflect His commands...that we do this because we love those who are being deceived
- that parents teach their children that they are called to be 'different' than the world...that they not seek to 'fit in with the crowd'
- that Christian organizations and churches not be threatened into silence...or into compromising the Word of God
