

# 8<sup>th</sup> Grade Service Project Form

Name: \_\_\_\_\_

Date of Project: \_\_\_\_\_

A service project is something that you do for someone else to help them, show your appreciation for them, and most importantly show them how you are the “hands and feet” of Jesus. The project should be done out of your love for Jesus and the goodness of your heart, not for pay.

We are only **requiring** one service project this year. We pray you will give it much prayer and consideration. Tell us who you did your service project for, what you did, and why you feel it was a blessing to the one (s) you served. (Use the back of sheet if necessary.) When completed, Email your form to Jason at [jvonderlage@splcs.net](mailto:jvonderlage@splcs.net)
